MOVIE FUNDRAISER

for

Australian Rotary Health mental health research

Take my Hand

As a vibrant young Australian woman, Laura forges a successful banking career in London and seemingly has the perfect marriage. Her world is turned upside down when she is diagnosed with multiple sclerosis and her husband starts to show his true colours. When a tragic accident leaves Laura a widowed mother with three sons, she returns home to Australia, and is reunited with Michael, a high school friend and a divorcee with one daughter, who has loved Laura since they were teenagers. In each other with their newly merged family in the small country town they grew up in – the couple's lifelong search for happiness, peace and mutual love is finally realised.
