October is Rotary International's Economic & Community Development Month. Rotary Clubs all over the world help communities and people in other countries with projects that aim to provide sustainable ongoing development and help, not just immediate charity.

Our thoughts are with PP Dale and Helen for their wedding anniversary last week. Good to hear that Margaret Kelso is on the mend.

This week our guest speaker is Jeff Neale, who will be joined by his wife, Jenny. Jeff is a Past District Governor, Past President and current member of the RC of Campbelltown. He is also the Dealer Principal of Paradise Mazda and a generous supporter of Rotary, especially in the form of the vehicle that is available for clubs to use at special events including Corolla Capers. We have special plans to acknowledge that support.

It is also exciting that Hadi Jafari will be inducted as a member.

Last week we had a short presentation from National Youth Science Forum (NYSF) student Lyana Huynh, who gave us a very entertaining overview of her student life. She is head of the student council and is engaged with local fundraising for the Mary Potter Hospice, amongst many other things. We look forward to seeing her again next year after the NYSF.

Lyana is pictured above with Mark Streich, Youth Service Director, President Brian and her father.

Last week the Friday walkers looped around the eastern side of North Adelaide and managed around 3.4 km

Cake, coffee and stimulating conversation to refresh after the walk

On Sunday, we hosted an ARH Hat Day mental health walk in conjunction with RC of Eastwood. The walk was in through the new wetlands in the south parklands. Doug McEvoy gave the group some insight into the Miyawaki Pocket Forests, which concentrate plantings rather than spread the out. Russell Green and Mark Cater have helped plantings, and volunteers are always welcome to help.

It was heartening to see the local community taking advantage of this corner of the parklands, facilitating community engagement.

Thanks to the BBQ team and Bellachino Coffee Van who kept the walkers refreshed.
