Stephany Martin from the Rotary Club of Lightsview Is committed to the global eradication of polio.

Stephany will be running her first marathon (Mildura Riverfront Marathon) to raise funds for End Polio Now. When she started running in August last year, she could barely complete a single kilometre — so preparing for 42.2km has been a true test of both body and mind. Every blister, every aching muscle, and even the recent loss of a toenail is a reminder that she is doing this not for herself, but for those who can't.

As Rotarians, we know how close the world is to ending polio for good — but the fight isn't over. Until polio is eradicated everywhere, children everywhere remain at risk. The funds raised through this marathon will go directly to Rotary's PolioPlus Fund, supporting vital immunization campaigns, surveillance, and education efforts in the remaining affected regions.

If you or your club would like to support, you can do so through the fundraising page: https://raise.rotary.org/Stephany-Martin/challenge/

Thanks to the ongoing efforts of John Rohde who documents the weekly North Adelaide Friday Mornign walks that end at Pellegrini's.
