FRIDAY WALK
30TH May 7:45am
Meet outside Lion Hotel
Melbourne St North Adelaide
And
After, coffee with Charter President Ernie Nagy
At the Lion on the verandah

After the Friday Walk and coffee on the 30th, Les has offered to take a tour of Trinity Adelaide at 10AM. It's History Week and there are other guests who have also booked to tour this historic church. No fee. Car Parking back of Church off Morphett Street Slip Lane off North Terrace.

Last week we had an informative talk by Rtn **Kerri Ann Willsher PhD** who explained the work that Australian Rotarians Against Malaria (ARAM) was doing to combat malaria in the Pacific Islands. This includes provision of bed nets which are specially treated with insecticide, educational resources, health workers and target spraying programmes. She noted that education included explaining to young boys that the nets re not to be used as fishing nets.
She also noted that malaria remains a major killer of children under five as well as pregnant women.
The targeted countries are currently Solomon Islands and Timor Leste.

Thanks to Jeff, Russell, Mark C and Craig from Loxton who transformed one of the Calperum Cottages with floating floorboard over a couple of days.

Congratulations to Rotarian Hadi for his awards this week.

Prospect Council's Volunteer Award

S.A . Volunteer Awards

Our thanks also to Steve Brown who helped shift a trailer load of furniture for a needy family

Youth Options. Far West Allied Medical Support Services. Lira Hospital Uganda

DROUGT RELIEF PROJECT UPDATE: Our club in the current financial year provided $2,000 towards this Drought Relief project. The RAWCS SA District Drought relief project account has currently raised $180,000 with $80,000 from Rotary Clubs for the purchase of hay Bales. Transport is being subsidised by Primary Industries & Regions (PIRSA). The SA District Drought relief RAWCS Project has sent 31 truckloads of 1,088 Bales, delivered since 24th February ... 614.4 Tonne of Hay supplied to date to the Mid North, Peterborough, Orroroo, Mallee, Adelaide Hills, South East and Murray Lands of South Australia from Gippsland Victoria.
The SA government, via PIRSA, has extended our contract to cover freight costs for hay deliveries to livestock on drought affected farms around the state to not only be able to maintain our delivery schedule, but to do so with additional flexibility in terms of how far we can truck these vital loads.
The Rotary Club of Adelaide Central and our project partner, Farmers Relief Agency, remain fully committed to getting feed to farm's as quickly and efficiently as possible.
