VALE Graham Fussen

It is my sad duty to let you know of the recent passing of Rotarian Graham Füssen. He was a pivotal and founding member of Rotary club D9510 online and will be sadly missed by all who knew him.

Apart from being club treasurer, Graham used his IT skills to provide management services and websites for numerous clubs and organisations. This service provides the club with its major source of income. Graham also maintained Facebook pages for ten clubs and organisations.

Our club is diligently continuing with Graham's numerous endeavours to ensure continuity.
We ask for your understanding during this difficult time.

If you would like to contribute to a fund, we are organising one to benefit Graham's family.

Pioneer Adventure Day

Old Tailem Town Pioneer Village – Tailem Bend

Sunday 3rd May 2026

Farming families and other folks in the community (local butchers, bakers, workers from supermarkets, clothing shops, and hardware stores) are all invited to come together and have a fun-filled day of adventure at Old Tailem Town.

It's all about reconnecting, laughing, and remembering the simple joys of life. It's been a tough year on the land - some kids have been waiting months to see their parents' smile again. This is a chance to bring a little bit of sunshine and happiness to their lives.

We'll be there with a display of Corollas, and the organising committee are also seeking sponsors, entertainers and vendors to make this event a success.
