DOMESTIC VIOLENCE AWARENESS MONTH
In acknowledgment of Domestic and Family Violence Prevention Month this May, we are hosting a Tech Safety Session. Hear experts from the Women's Safety Services SA and Microsoft who will unpack tech safety and provide practical tools for identifying and responding to technology-facilitated abuse.
When: Thursday 28 May, 5.30pm - 6.30pm.
Where: Auditorium, West Torrens Library, 1 Brooker Terrace, Hilton.
Bookings essential - scan the QR code or visit Eventbrite. Attendees must be over 18.
For more information - phone 8416 6212.

Calperum invites Rotarian volunteers to an overnight immersive experience showcasing the Australian Landscape Trust's (ALT) work to protect and restore local ecosystems. The visit begins at 12 noon on Thursday 21st May and concludes at noon the following day. Guests are warmly welcome and will stay in comfortable accommodation within facilities Rotary has helped upgrade in recent years.

Members of the **Calperum and the Environment (CATE) Committee** will stay on for their committee meeting on Saturday afternoon and depart around midday on Sunday.

Rotarian guests are also welcome to extend their stay and enjoy the peaceful natural setting. During this time, CATE plans several tag-along vehicle tours across the property to showcase more of Calperum and discuss Rotary's past contributions and future opportunities.

"HEALTH OF THE RIVER" 2026 ROTARY YOUTH FORUM

MONDAY 14th – FRIDAY 18th September, 2026

CALPERUM STATION, Renmark, South Australia

OPEN TO YEAR 9 and 10 STUDENTS

Are you curious about the Natural World ?

Are you interested in Ecology and the Environment?

Are you interested in protecting the Environment?

This 5 day forum provides hands on learning and mentoring from specialist ecologists and researchers on a working conservation and research property, with an emphasis on "River Health"

Supported by Rotary Clubs, the forum provides transport, accommodation, meals and exceptional learning experiences.

Activities will include a focus on sustainable water management and irrigation practices, salinity issues and environmental flows, conservation, land degradation and rehabilitation and more.
