Last week:

Rotarian Bill Marles was our guest speaker, reporting on the wonderful success of the recent “Old Tailem Town” event which we attended showcasing our Corolla Capers. The event was free for farming communities, due to extensive fund raising. The free health checks identified several at-risk conditions, which would have otherwise gone undetected. Free haircuts, face-painting, music, food, grocery supplies and more, made for a special day Bill related many stories of families who have been going through recent hardships that this was a shining light of hope. Despite the idea that this event would be a one-off event, there is already talk of repeating it next year.

THOUGHTS OF THE DAY

- I used to play the piano by ear, but now I use my hands.
- I told my wife she was drawing her eyebrows too high. She looked surprised.
- I have a few jokes about unemployed people, but none of them work.
- I used to think I was indecisive, but now I’m not too sure.
- I'm on a whiskey diet. I've lost three days already.
