Tuesday's Away Meeting: Last Tuesday, being the fourth Tuesday of the month, we met at the Ridley Grove Community Garden where we enjoyed some delicious catering from President Angela and did further planning for our **Family Day to be held on October 10.**

On Saturday 26 September we had a Garden 'Working B'. President Angela, Environment Director Mark S, IPP Jeff, PP Ron, PP Les did further work at the front of the Garden. At the Garden we had assistance from Community Volunteer Heather and good team organised by Jemma. We filled the skip to the brim. There is still some more to be done at the front of the garden - Ron and Les will do a little more Tuesday afternoon before Rotary - **others welcome**.
Mark C was at Bunnings selling Raffle Tickets raising Funds for New Hope Cambodia.

NEPAL FLOOD RELIEF

In response to our club's long support of health care and community development programmes in Nepal through International Nepal Fellowship (INF), the Board made a donation through INF Australia. INF Nepal will continue to work with other 'in country' agencies to provide the long-term care required.

Individual tax deductable donation and other up to date information, may also be made through https://inf.org.au/

Rotary Australia World Community Service (RAWCS) has established an appeal fund for the Nepal disaster. Please note that RAWCS is totally owned and operated by Rotary districts/clubs in Australia. Tax deductible donations can be made immediately.
