We have a working bee at Woodville – Women's Shelter on Friday 16th October 2026 – 9.30am (after the normal Friday walk). We will be building an extension to the fence, installing 3 metal posts in the ground and approximately 24 – 3.6m long timber-looking – (actually they are plastic type fencing).
We currently have Mark Carter and Russell Green committed to assisting Jeff and would like another 1 to 2 more assistance. You will need to have a Police Clearance and a working with Children approval.

The highlight of the weekend was the glorious day at Ridley Grove Community Gardens. Line Dancers and Ukelele players kept us entertained, with plenty of sausages, cakes, and fun activities for the kids. Heather has been a weed puller most of this year and the results are amazing. In the Indigenous area, Mark Streich planted several native species. Mayor Claire Boan was impressed with the community presence.
Sue Berry and her family were presented with a certificate to mark the completion of the Trevor Berry Sculpture, named in honour of the late Rotarian who built the original.
